Mr. Roger Pierce,
President's Office,
Harvard University.

Dear Mr. Pierce:

It is very kind of you to let me know that the Hopkins Scholarship has just been granted by the Harvard Divinity School to Mr. Gifford, a graduate of the University of Toronto. We are always pleased to know of the success of our graduates, and I hope that Mr. Gifford will maintain the reputation for sound training, which I think has been won by our graduates in the past.

Yours sincerely,

President.
